

THE LAMB STANDARD

The Lamb Standard is the company philosophy of providing what would be expensive upgrades elsewhere as standard finishes at all LDC developments and has been nothing short of revolutionary. Lamb Development Corp's goal is to bring excellent condominium design with spectacular clean modern architecture allowing both the building residents and the residents of the city to mutually benefit from an invigorating and thoughtful experience.

Lamb Development Corp. guarantees that no other developer can or will deliver the same
incredible standard.

THE CONDOMINIUM STANDARD OF EXCELLENCE

- European styled modern kitchen cabinetry
- 9' ceilings or higher
- Exotic pre-finished hardwood floors throughout
- Loft style exposed concrete features
- Double thick stone kitchen and vanity counters
- Minimum 6' deep balconies ideal for maximum outdoor enjoyment
- High design hallways, elevator lobbies, and entrance lobby
- Exceptionally designed bespoke facilities
- Gas BBQ nozzles on all balconies
- Spa quality bathroom finishes
- Natural gas cooktop and built-in oven
- Spectacular modern architecture
